Terms and Conditions

- At time of pick up, driver must present a valid, U.S.-issued driver's license and credit card (or debit card at participating locations) in the driver's name. If the driver's license is not U.S.-issued you must present your driver's license and either a passport or a Canadian enhanced license in the driver's name.
- All drivers must have a safe driving record. In the U.S., you may be asked to sign a driving record addendum or be subject to a computerized Department of Motor Vehicles check. Based upon such search, Avis reserves the right to deny a rental opportunity.
- If applicable, you must provide association, corporate, or government credentials.

Age Requirements:

At participating locations, Avis recently lowered the rental minimum age to 21 years old in all states.

Rather than requiring customers to be 25 to rent, Avis now rents to customers between the ages of 21-24 with a valid credit card and driver's license. At time of rental, we will automatically apply an additional \$27-per-day underage surcharge in the US and \$25 per day in Canada for those drivers. In Michigan, the underage

the US and \$55 per day in Canada for these drivers. In Michigan, the underage surcharge is \$41 per day for renters 18-20 years old and \$28 per day for renters 21-24 years old.

New York State will continue to have a minimum age of 18 with a \$52 surcharge per day for renters age 18-20 and a \$35-per-day underage surcharge for renters age 21-24.

Rentals of Luxury, Mini-Vans, 12-Passenger Vans, Specialty, Full-Size SUVs, and Premium SUVs will not be permitted to renters under 25.

If a debit card is presented as credit identification, the renter must be 25.

For International rentals, maximum and minimum age policies may apply and vary by country.

Credit and Debit Card Policies

Avis accepts most major credit cards as credit identification at the time of rental.

Most locations also accept bank debit cards with the Visa or MasterCard logo as credit identification at the time of rental.

If you're using a debit card at a location that accepts them, most U.S. locations will perform a credit check for debit card renters to determine credit worthiness at the time of rental. The renter must meet Avis' minimum criteria in order to rent. If Avis is unable to complete the credit check or if the location does not perform credit checks, the customer must be prepared to present additional identification. Airport locations will accept your round trip ticket, itinerary or e-ticket to or from the renting airport with a return date. If you do not have return flight information or if you are renting at an off-airport location, you may be asked to show a second form of identification (utility bill, bank statement, U.S. passport, military identification or vehicle insurance card) that includes an address matching your U.S. driver's license address.

Please note that some locations do not accept Debit cards. Currently, debit cards are not acceptable as credit identification at the time of rental at locations in the Metropolitan NY Tri-State area, as well as other locations across the country.

However, airport locations in New York, NY; Islip, NY; White Plains, NY; Newark, NJ; Kansas City, MO; Omaha, NE and Lincoln, NE will accept debit cards from renters who arrive by air. These renters must present their round trip ticket, itinerary or e-ticket. Debit cards are not accepted at any location in Canada.

Debit Card Policies

Upon paying your rental with a Debit Card, Avis/Budget will generally request an authorization hold against your account for the estimated charges of the rental but reserves the right in its sole discretion, to request extra value based on certain factors as we deem appropriate. Some exceptions may apply. **THESE FUNDS WILL NOT BE AVAILABLE FOR YOUR USE.**

Upon returning the vehicle, Avis will process a reversal of any unused portion of the hold subject to your Bank's procedures. This reversal may take up to 2 weeks to be posted to your account by your bank.

If the vehicle is not returned on or before your due date, Avis will obtain additional authorizations from your account to cover the expected rental charges.

Avis is not responsible for any returned checks or over-drafts based on this policy.

Positive identification in addition to your driver's license may be required.

In the United States, Debit, Cash or Check cards can be used on return for payment of rental charges. For acceptable credit identification and payment methods in countries outside of the United States, please consult the Renter's Guide and search for the specific location.

Note: Prepaid Debit/Gift cards are not acceptable methods of credit identification to pick up a car at any location. One of the above mentioned cards must be presented. Prepaid Debit/Gift cards are accepted at time of return only.

Additional Fees & Credit Holds:

- Your Estimated Total rental rate is calculated based on the information provided at time of reservation.
- Renters who have indicated a country of residence outside of the US will be required to present a non US issued drivers license and a non US issued passport OR an international airline ticket at the time of rental to qualify for the rate.
- Vehicles are rented on a daily (24 hour) basis. There is a 29-minute grace period for returns. After 30 minutes late, hourly charges may apply. After 90

- minutes late, a full-day late charge may apply.
- Your credit card authorization hold will be \$200 plus the estimated rental charges. The exact amount of Credit Card authorization will vary by the rate, car group, length of rental, and miscellaneous charges. **Callers may check with the rental counter for an estimate of the authorization amount.**
 - Additional drivers may be subject to a fee.
 - Tax and tax related surcharge rates are subject to change without notice.
 - Frequent Flyer surcharges may be applied at time of rental.
 - At many airport locations, concession recovery and facility fees may be charged.
 - At many locations a vehicle licensing cost recovery fee and a energy recovery fee may be charged.
 - Extensions or late returns result in additional charges.
 - The U.S. Government imposes a \$5/day Admin Rate Supplement (GARS/GA) for U.S. Government rentals.
 - Customers who drive less than 75 miles (125 kms) will automatically be charged a fee of \$13.99. If customer chooses to refuel on their own, they must provide a receipt.

Estimated Totals

Approximate total includes base rate, taxes, and surcharges. Some items such as refueling are NOT included in the estimated total. Optional services and one-way fees are subject to tax in certain locations.

In Australia, GST, Stamp Duty and Concession Recovery fees apply to optional coverages, one-way fees and any other miscellaneous charges. For rentals in Australia, please make arrangements for optional coverages at the counter at the time of rental. Concession Recovery Fee is charged at most Major Airport locations only.

For rentals in Europe: CDW - this protects you against damage to the Avis vehicle subject to an excess. TP - this protects you against theft of the vehicle or its parts to an excess. If you required additional protection, cover can be purchased locally to reduce/remove the insurance excess. Just ask at the Avis rental desk when you collect your car.
